Vulcan Termite and Pest Control is a termite and pest control company in Pelham, Alabama. Their technicians provide professional termite and pest control services for both residential and commercial customers. The company also specializes in termite treatment and mosquito control. Over the years they've gained a reputation for offering exceptional termite control, Alabama residents can trust. Currently, Vulcan has over 120 years of combined experience controlling termites. They quickly put this expertise to use to get the situation under control immediately and minimize the damage done to your property. Vulcan retains a Board Certified Entomologist who regularly updates their training and keeps them up-to-date with the latest termite and pest control strategies.
