Orren Pickell Building Group is a full-service firm that does more than just building homes. Other services include design/architecture, remodeling, and ongoing maintenance of your home. Building dream homes for families over the last 40 years has allowed Orren Pickell to perfect the design/build process and integrated ideas for living that are reflected in the architecture of a home. Orren Pickell Building Group is the premier choice to build custom built luxury homes. If you're looking for a luxury home builder with the experience, skills, and capabilities to handle your custom home project from start to finish, look no further than Orren Pickell Building Group. The firm's architects, builders, and home maintenance providers serve the entire North Shore of Chicago (Lake Forest, Wilmette, Winnetka, Bannockburn, Northfield, Mettawa, Highland Park, Glencoe, Hinsdale, Northbrook, Glenview) as well as Lake Geneva, WI, Southern Wisconsin and Harbor Country, Michigan.
