Happy Tree Service is a professional, full-service, ISA-certified arbor care company in Austin, TX. Committed to making its customers and their trees happy. Happy Tree Service offers high-quality arbor care services for commercial and residential customers and maintains Certified Arborists on Staff (Not All Tree Services Do). Happy Tree Service serves all your tree care needs, from tree trimming to stump removal, bringing expertise and care to your trees. When falling limbs or downed trees create an emergency on your property, you can always contact Happy Tree Service for quick Austin emergency tree service and/or Austin tree removal. This means your trees are in the best possible hands and are being checked for multiple health signs with each tree service and pruning.
