U.S. Waterproofing, in Rolling Meadows, Illinois, is one of the largest basement waterproofing and foundation repair company in the Midwest. A family-owned business since 1957, they continue to grow our business one satisfied customer at a time. Two-thirds of our business comes to us by person-to-person recommendation or from previous customers. If you have a finished basement, or can't determine the source of your basement seepage, call U.S. Waterproofing to schedule a free consultation and estimate.
