Alan Mascord Design Associates, based in Portland, Oregon, offers custom home design services and an extensive house plan collection. Find over 600 floor plans in a variety of styles from Craftsman to Victorian. For over 25 years, their deep-rooted commitment to architectural excellence is what has made them a trusted name among builders, consumers, and even among their competitors. To date, well over 50,000 Mascord homes have been built across the US, Canada and most of the developed countries around the world!
