Established in 1990, Arizona Sun Supply wholesales window solar screen products through a vast distribution network in Arizona. The company has recently expanded into wholesaling heavy duty knitted shade cloth developed explicitly for tension structures and shade sails. It offers wholesale Solar Screen, Sun Screen products, Patio Shades, Blinds, Retractable Screen, Insect Screen, Pet Screen, Textilene®, and more. Arizona Sun Supply offers its products at wholesale prices to anywhere in the Continental United States to established businesses in the window, door, screen, awning, and shade structure business.
