Pacific Fence and Wire is a fourth-generation family-owned and operated fencing company headquartered in Clackamas, Oregon. The company provides all types of fencing and enclosure solutions. As your full-service fencing company, Pacific Fence and Wire stocks the most popular vinyl panels. The company has a wide variety of ornamental fences, custom-built fences, and in-house chain link fence weave machines to ensure it has exactly what you need for your home, property, or business. Founded in 1921, Pacific Fence and Wire has the knowledge and experience to complete even the most difficult projects. Pacific Fence & Wire Co. is a member of the American Fence Association.
