

Dave Johnson, Landscape Architect

6825 East Tennessee Avenue #400
Denver, Colorado 80224
United States

Phone: (303) 399-1661

Dave Johnson, Landscape Architect, specializes in residential landscape design in the Denver, Colorado, region. The company focuses on the design of a landscape project. It may also be contracted to assist the client in obtaining and evaluating bids and acting as their advocate during the construction phase. In addition to providing outstanding and creative design solutions, Dave's unique practice enables him to serve as his client's advocate during construction. Dave Johnson's education and background are outlined on the company's website, as Dave's design philosophy and a portfolio of past projects within the Denver area.
