Living Concepts offers a selection of house plans, produced by an architectural firm based in Charlotte, North Carolina. Architectural styles include colonial, cottage, craftsman, European, low country, Mediterranean, traditional, French country, English country, farm house, and bungalow house plans, which are arranged by style as well as according to specific conditions, such as site and lifestyle conditions. Plans may be browsed according to a number of variables, including pricing options, and collections of plans are also available for purchase through the company's web site. Recent, designer favorites, and most popular plans are highlighted.
