

Baker Concrete Construction, Inc.

900 North Garver Road
Monroe, Ohio 45050
United States

Phone: (513) 539-4000

Baker Concrete Construction Inc is a specialty concrete contractor whose corporate offices are in Monroe, Ohio. Headquartered in Ohio, the company has regional offices in Arizona, Colorado, Florida, Louisiana, New Mexico, Texas, and Washington DC, working throughout much of the United States, serving civil, commercial, industrial, institutional, and multi-family residential clients. Baker is a significant force in concrete construction across the U.S. and Caribbean. Since 1968 its dedicated work ethic has produced some of the nation's most exemplary projects. Whether the Baker Jobsite is on the coasts of Florida, the vast plains of Texas, or the green fields of Ohio, excellence, and capability mark every project. Build better structures and better lives with a career at Baker. Discover the impact you can make in your career, community, and – most importantly – with your family. Its services, competencies, and locations are described on the company's website, along with career information.
