Modular Building Institute (MBI) is an international non-profit trade association headquartered in Charlottesville, Virginia, serving modular construction. As the Voice of Commercial Modular Construction (TM), it is MBI's mission to expand the use of offsite construction through innovative construction practices, outreach and education to the construction community and customers, and recognition of high-quality modular designs and facilities. MBI promotes integrity and quality in the modular industry by having their member subscribe to the MBI Code of Business Ethics & Conduct.
