Cam Tech School of Construction is an exam preparation school for the Certified Contractor's License exam, headquartered in Lutz, Florida. Boasting a success rate of more than ninety percent, Cam Tech is a traditional exam preparation school, helping students to pass the Florida state Certified Contractor's License examination. Founded in 1992, Cam Tech offers a two-part program of a home study course book and non-repetitive live weekend classes held at various Florida locations for those seeking to acquire their first license, upgrade, get an additional license, or complete continuing education hours.
