Frontier Supply Company is a supplier of plumbing, heating, and industrial piping products in Anchorage, Alaska and elsewhere. Established as Frontier Plumbing Supply in 1989, the company has locations in Anchorage and Fairbanks, Alaska, as well as in Guam. As the only Alaskan-owned full-line wholesaler, the company stocks plumbing, heating, industrial piping, waterworks, and mining products. Frontier is a part of WIT & Company, the industry's premier buying group, and a member of the American Supply Association, Mechanical Contractors of Alaska, Alaska Miners Association, Alaska Support Industry Alliance, and the Associated General Contractors.
