Hughes Supply offers a complete line of residential and commercial plumbing supplies at its store in Macon, Georgia. The company also stocks a full line of PVC, Black Iron, Stainless Steel, Pex, and Copper fittings and pipe. The Macon location serves plumbing and HVAC contractors, and its commercial water heater team is available 24/7 for emergency deliveries or projects, able to respond to sites within a 150-mile radius. And it has all your residential plumbing supplies on the shelf and ready to pick up or be delivered to your job or shop. Hughes Supply's premier line of American-made products includes Bradford White Water Heaters, Apollo Valves, Lasco Tubs, and many more. Its professional staff offers one-on-one assistance with several associates dedicated to just the plumbing line of business. It is here to help you with any job quotes or product questions you might have. Hughes Supply's promotions, professional services, and private labels are listed on its website. An online shopping cart is also available.
