Plumbing Parts Plus supplies homeowners, contractors, plumbers, and designers with plumbing products; located in Rockville, Maryland. In business since 1987, Plumbing Parts Plus offers a large variety of products from brand name manufacturers of bathroom cabinets, faucets, toilets, sinks, countertops, tubs, and other items, including plumbing parts and supplies. Its products are highlighted on the company's website and made available for purchase online. Featured items may be browsed, or customers can shop by brand, view clearance items, or the latest specials.
