Hawley's Paints offers automotive, house, and specialty paints from its store in Santa Rosa, California. Hawley's Paint Store was founded shortly after the 1906 San Francisco earthquake, and has been providing painting supplies to professional painters and do-it-yourselfers for more than a century. Hawley's carries paints from Benjamin Moore, a leading manufacturer of house paint for contractors and homeowners. Its products, services, and promotional offers are featured on the company's web site.
