California Contractor Bond & Insurance Services, headquartered in San Diego, CA, offers contractor license bonds and general liability insurance coverage to the construction industry. The firm's brokers collaborate with a variety of surety underwriting markets; they shop your insurance to find the lowest available rates, including Swimming Pool Contractor Bonds, LLC Employee Worker Bonds, and Roofing Contractor Bonds. With access to over 100 insurance and surety markets, these expert brokers can customize a unique bonding and insurance solution for your company at an affordable rate. California Contractor Bond & Insurance Services offers California contractors the most competitive rates on contractor license bonds, general liability insurance, workers compensation, and commercial auto coverage. Contact us today for a free no-obligation quote.
