The Pond Fighter LLC is a pond maintenance company specializing in pond cleaning, repair, and construction. The company serves Maryland, Washington DC, and Northern VA. The Pond Fighter goal is to bring the joy of water right into your backyard. The company staff strives to create something that you would only find in nature - a flowing body of water. When servicing a pond, The Pond Fighter crew wants to rejuvenate it to its original state as a pond with clear water, thriving fish, and a beautiful waterfall is the best natural therapy out there. The company's website features information on pond cleaning and maintenance, a gallery of photographs of past projects, and a form where you can request and receive your quote within 24 hours!.
